Please help
change the lives
of children in Africa.

We've sent millions of books
to African children who are
hungry to read,

Hungry to Learn.

Millions more are needed.

There are over 400 million children living
in Africa today. Without your help, many
will never have access to books.

“Books For Africa is a simple idea, but its
impact is transformative. Literacy is quite
simply the bridge from misery to hope.”

—Kofi Annan, former United Nations Secretary-General

Please help bring
the gift of learning
to African children

Dear Friends,

Books For Africa invites you to help put books into the hands of African children.

Books are scarce in many African villages, with few libraries and no books available for students to take home from school.

Books For Africa is a 501(c)(3) charity working to increase literacy and improve access to education by ending the book famine in Africa.

As the world's largest shipper of donated books to Africa, Books For Africa has shipped **over 20 million books** to 45 African countries since 1988.

The books are on once-empty library shelves and in the hands of children who have never before held a book.

Books For Africa can send a book to Africa **for less than 50 cents** — a stunning value!

Get involved in bettering the lives of African children by either volunteering in our warehouse or donating books or shipping funds.

You can and do make a difference.

**Every Child
deserves a book.**

Please, consider helping...

You can volunteer in the warehouse, or donate books or funds to help ship books to Africa.
