

# BOOKS FOR AFRICA

Please help bring  
the gift of learning  
to African children.

Books are scarce in many African villages, with few libraries and no books available for students to take home from school.

Books For Africa is a 501(c)(3) charity working to increase literacy and improve access to education by ending the book famine in Africa.

As the world's largest shipper of donated books to Africa, Books For Africa has shipped **over 21 million books** to 45 African countries since 1988.

The books are on once-empty library shelves and in the hands of children who have never before held a book.

Books For Africa can send a book to Africa **for less than 50 cents** — a stunning value!

**You can and do make a difference.**

Please,  
consider helping...
