A SUMMARY OF SHARING • 2010

Books For Africa

Since 1988, Books For Africa (BFA), the world's largest shipper of donated books to the African continent, has shipped over 22 million high-quality text and library books to children and adults in 45 African countries. During 2010, Robins, Kaplan, Miller & Ciresi LLP supported BFA in various ways. In June, the firm hosted a reception to welcome BFA to the Atlanta community, when the organization opened a warehouse to be used as BFA's primary shipping, receiving, and sorting center. Lisa Heller,

Managing Partner of the firm's Atlanta office said, "We are delighted to welcome and introduce Books For Africa to the greater Atlanta community. Our firm has supported BFA in Minnesota for many years, and we are committed to continue helping this life-changing organization here locally."

As a 2010 sponsor of BFA's Law & Democracy Initiative, which seeks to provide text books on law and human rights to African law schools, bar associations, and other legal entities, a shipment of books was delivered to 28 legal institutions in eight African countries. Also, in October, the Atlanta office's Insurance Group invited clients to join them to sort and organize books at the warehouse as part of the group's second annual community service event.
