Books For Africa has shipped more than 40 million books to 52 African countries in the past 29 years.

In May 1987, Books For Africa was founded by Patrick Plonski to meet the desperate need for reading materials to millions of African children and adults. The mission of Books For Africa continues to be “to put books into the hands of children and adults in Africa who need them.”

In May 2017, Books For Africa launched Lexicon Park, a new headquarters for the organization in St. Paul, Minnesota.

In September, Books For Africa partnered with Poverty Freedom Network (PFF) to launch a 3 million book shipment to Mozambique, arriving in early November.

Our mission is to end the book famine in Africa. www.BooksForAfrica.org
