

BFA/ROTARY PARTNERSHIP PROGRAM

Nigerian Rotarian
Yemi needs books for
her reading project.

Rotarian Ben
wants to promote literacy and
ship books to an African partner.

Yemi and Ben

both text BFAROTARY To: 51555
and join the BFA/Rotary Partnership Program.

The BFA/Rotary Books Partnership Program partners African Rotary clubs desiring books to support reading programs with Rotary clubs worldwide wanting to promote literacy and sponsor books. After sponsors and African hosts exchange contact and project information, BFA lends logistical support with book selection, shipping/customs, and book delivery. BFA can even provide sample language and guidance to help you secure project grant funding.
